

IP Compact PTZ Camera

3MPx Resolution

Overview

The TruVision® 3MPx IP Compact PTZ camera from Aritech delivers the benefits of a PTZ solution while offering high definition image capture. This PTZ camera has advanced technology and can be installed in a wide range of applications and environmental conditions.

With features such as True Day/Night surveillance and Wide Dynamic Range (WDR) imaging on select models, these cameras provide optimal image quality in a variety of indoor or outdoor environments.

The IP Compact PTZ camera is available in a variety of mounting form factors, depending on the model. The camera is fully programmable, with up to 300 presets along with 8 patrol tours (32 presets per tour).

A 8-zone privacy mask feature allows these cameras to block out sensitive areas, such as fitting rooms or restricted areas. In addition, the variety of intelligence features adds substantial value and enhanced performance to any video system.
