

RF-7220-07-1

2-way wireless outdoor siren LoNa

OVERVIEW

This 2-way wireless outdoor siren, using the latest LoNa technology, completes your wireless intrusion system. This siren installs easily because of its wireless communication, power and learn-mode technology. The custom lithium battery pack (BS7201-N) typically delivers a 3-year lifetime (based on usage). This battery pack shall be ordered separately.

FEATURES

- Using LoNa technology
- Easy learn-in procedure: LED confirmation of sent and received messages
- Pry-off and opening tamper protection
- Full wireless solution: communication and power
- 3 years of battery life (based on usage)
