

ATS608

Plug-in input expander, 8-way

OVERVIEW

The ATS608 offers an 8-way input expansion to Axon series panels. To reduce required space in the Main control panel housing, the unit is a plug-in to the Main Control panel PCB. The ATS608 provides for 8 additional inputs available through screw terminals. Inputs are assigned to zones through configuration in the control panel. The zone type is defined through the zone menu in the main control panel.

FEATURES

- 8 inputs
- Plug-in to Axon series panels
- Supports shock sensors
